HS Driving and Student Parking Update

[Here is a MAP](#) of our Parking Lot and Traffic Routes as well as the posted signs you will see. Key points of the Map and parking and traffic plan.

- Drop off and Pick up traffic travels the perimeter of the middle parking spaces to the designated lower lot Drop Off / Pick Up Areas.
 - Three walkways connect the Drop Off / Pick Up Area to the High School
- No Drop Off / Pick Up is permitted in the Upper Lot unless due to physical need
- Middle traffic aisle is for middle row parking only
 - Drop Off / Pick Up Traffic should not drive up the middle parking aisle
-

In addition to these posted travel routes and signage, the primary message for all student drivers and parent / caregiver drivers is to be aware, cautious and patient when driving on school grounds and to follow the posted signs for travel, parking and student pick / up drop off. Travel speed should be no more than 10 miles per hour.

If you find yourself cutting across the parking lot, driving over 10 MPH or not following the posted routes then YOU, are “THAT PERSON,” who is being selfish and inconsiderate to the safety of others. Safety, whether school based or in the parking lot, requires all of us; how we drive on campus, in a tight and congested space, is part of establishing a safe environment. Please do your part! We thank you for your support and attention to this matter.

We have distributed all parking passes for those students who completed the 1st round of Parking Application process. We will open the 2nd round for Parking Applications starting Tuesday, September, 5.
